Sports Day

Sports Day is next **Friday 28th June**. As usual, we will start with a carousel of team activities and each team will complete a range of events against another team. During this time, you are welcome to follow your child's team around the circuit of activities, but please be aware that the taking of photographs and filming is not allowed – we have several children who are not allowed to be photographed and we would respectfully ask that you abide by this request.

When the team carousel events are complete, we will move to the track for our more traditional races. There will be chairs out for parents/carers to use and the children will be seated on mats on the other side of the track. We ask that parents/carers do not cross the track to the side where children are sitting and again, there must be no filming or photographs please.

Please make sure that your child has a suitable hat and their named water bottle in school. We are hoping for fine weather but, should we need to postpone the event for any reason, parents/carers will be informed by text by 8.00 a.m. on Friday.

In warmer weather, please ensure that your child has a named hat in school, as well as their named water bottle. (These can be refilled in school throughout the day). We would also advise that you apply a 'once a day' or similar sunscreen to your child before school. If they are bringing their own sunscreen in to school, children must be able to apply it themselves. Thank you.
