Children's Safety

The staff and I are becoming increasingly concerned about the safety of our pupils due to parking and turning issues at the beginning and end of the school day. Especially concerning is the number of parents/carers who are using the junction of Mill Road and Raven Way to perform a U-turn, as some of these cars are dangerously close to the pavements where children are walking. Similarly, we still have parents and carers who stop on the zig zag markings to let their child out of the car and then drive on. The zig zag markings are there for the protection and safety of every child and we would very much appreciate everyone being aware of this. We also try to remain on good terms with our immediate neighbours, so please park considerately and avoid blocking residents' driveways. Thank you for your co-operation.
