Newsletter No. 25 2023-24 – Tuesday 16<sup>th</sup> April 2024

## Welcome Back!

We have a slightly earlier than usual newsletter this week, as Miss Jarrett and I will be out of school at the end of the week. We are visiting two other English Hubs as part of our work with the Department for Education, but I didn't want the first week of term to pass by without a short newsletter.

It hardly seems possible that we are now in the final term of this academic year. However, the weather does not appear to be aware that this is supposed to be the Summer Term, as we had all four seasons in one day yesterday!

We have a lot planned this term, with all of the usual events where we hope that parents and carers will be able to join us. A full list of dates will be on next week's newsletter and we will update and add to these as we move through the term.

We have welcomed Miss Campbell to our teaching team this week and she will be based in Key Stage 1 – please feel welcome to come and say hello if you have a chance. We have also welcomed Mrs. Gibson as part of our catering team. We hope that both new members of staff will be very happy at Myland.

The staff and I are looking forward to a busy and productive term and to welcoming you to the various events over the coming weeks.

*Miss Griggs*

AT HOME evenings will remain on the same days as last term – please feel welcome to come in on your child's designated day to have a look at their work and displays in the classroom.

We hope to send out details of staff led clubs by the end of this week. (Musical Theatre Club will start this week for those children who have been given a place.)
