

Myland Community Primary School

Financial Year 2024-25

Allocated grant: £18,600

Area of focus	Target Group	Expenditure	Expected outcomes
Investment in specialist sports coaching in order to build the skills and capacity of our staff and to provide the opportunity for our pupils to take part in a broader range of sports.	All pupils from Reception to Year 6	Colchester Utd Community Foundation – specialist coaches £12504-50	Improvements in staff skills and knowledge result in higher quality teaching; Broader range of sports on offer increases pupil engagement with PE and sports, including amongst harder to reach groups
Investment in specialist sports coaching in order to build the skills and capacity of our staff and to provide the opportunity for our pupils to take part in a broader range of sports.	All pupils from Year 2 to Year 6	Off the Wall – specialist squash coaching £4018-75	Improvements in staff skills and knowledge result in higher quality teaching; Broader range of sports on offer increases pupil engagement with PE and sports, including amongst harder to reach groups
Funding and subsidising a wide range of extra-curricular sports activity in order to increase participation and engagement.	All pupils from Year R to Year 6, including harder to reach groups	Some areas covered by school staff, therefore no budget applied. Specialist coaches from CUCF provide two extracurricular clubs each week £650	
Giving pupils the opportunity to try out a range of new sporting experiences such as yoga, boccia, and cross country	All pupils from Year R to Year 6, including harder to reach groups	Covered by school staff	Wider range of sports on offer. Levels of participation are maintained or increased. Participation of children in harder to reach groups is increased.
Support our participation and success in competitive sports and in one-off sporting festivals and events.	Targeted groups of pupils. Some competitive opportunities will be open to all children in particular cohorts and some opportunities are provided to more able pupils or to pupils choosing to participate in extracurricular sports	£0 (school funded)	School participates in an appropriate range of competitive sporting opportunities. There is improvement in skills and abilities. Levels of engagement, enjoyment and participation increase.
Promote physical activity and healthy lifestyles through a focus on gardening and active teaching using the resources available to us in our outdoor areas.	All pupils from Reception to Year 6	PTA funded	Physical activity rates increased and wider participation and use of outdoor areas. Outdoor learning through, for example, gardening activities develops repetitive exercise and interest for those for whom sport may not attract attention.
Promote physical activity and healthy lifestyles through a focus on increased sporting opportunities at lunchtimes	All pupils from Reception to Year 6	Colchester Utd Community Foundation – specialist coaches £1145-50	Employment of specialist sports coaches at lunchtimes increased physical activity, participation and enjoyment for all pupils
Ensuring that our teaching and learning is backed up by good quality resources which are fit for purpose.	All pupils from Reception to Year 6	£281-25	Staff are able to teach a wider range of activities

At the end of the 2024-25 academic year, **89%** of Year 6 pupils met the National Curriculum Physical Education requirements for Swimming
