Visitors to School

This week, we have had two separate external consultant visits to our school, one looking at our outcomes for children across the school and one focussing on our provision for Special Educational Needs. On both occasions, we were highly praised as a school, not only for the standards that we enable children across the school to achieve, but also on the ethos and atmosphere in our school. As staff, we know that the 'feeling' in our school is special, but this is very hard to quantify. It is, therefore, really pleasing when external visitors such as those we had this week (and for one it was their very first visit to our school) comment so positively on all aspects of our work. Very well done everyone!

Thank you

Thank you for your generous donations today for the PTA Christmas Fair tombola, which are very much appreciated. The PTA team are currently working extremely hard behind the scenes in preparation for next Friday's Christmas Fair and would appreciate any offers of help that you can make. Please contact Emily Watson or one of the PTA team if you can lend a hand next Friday.

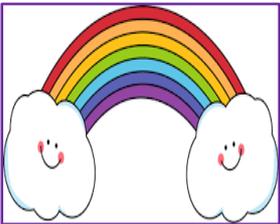

Please remember that we ask all children (including pre-school siblings) to dismount from bikes and scooters and push them as soon as they are on school premises. Please also remember that any child cycling to school must have an appropriate cycling helmet, in the interests of safety. Thank you for your support.
