Parking

I am increasingly receiving complaints from local residents about parents' and carers' parking before school and at the end of the day. We try very hard to remain on good terms with our local residents and I can understand why they become angry and frustrated when their driveways are blocked. What may seem like 'just a few minutes' to parents/carers when dropping off or collecting your child can (and does) inconvenience our local residents and their frustration is inevitably directed to us as a school.

Please park **considerately** and **safely** – some drivers are putting children's safety in danger by parking in the way that they do, especially when 'dropping off' on the zig zag markings. Thank you for your co-operation.

Miss Griggs
