

Summer EYFS Knowledge Organiser

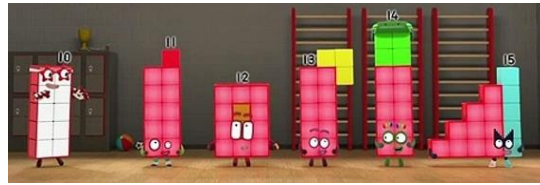

Our theme this half term is 'Why and How?'

We will be practising our spellings, using our phonics to help us out. We will say a word, glue the sounds we hear onto our 'spelling fingers' and then work hard to include all of these sounds in our writing.

Key words:

First	Next	After that	Finally
Round	Under	Over	Through
Left	Right	Fold	Cut
		Strength	

In maths, we will use what we know to solve what we don't, comparing, representing, sorting and ordering numbers to 20 and beyond. We will use our knowledge of tens and ones to help us.

An overview of our themed learning:

We are going to be investigating lots of 'why?' and 'how?' questions and relating them to change. We have a few to start us off (from the children's interests) and cannot wait to see where else their curiosity takes us!

In our daily Phonics lessons, we will read compound words and words ending in suffixes (-ed, -ing etc.)

Core value:

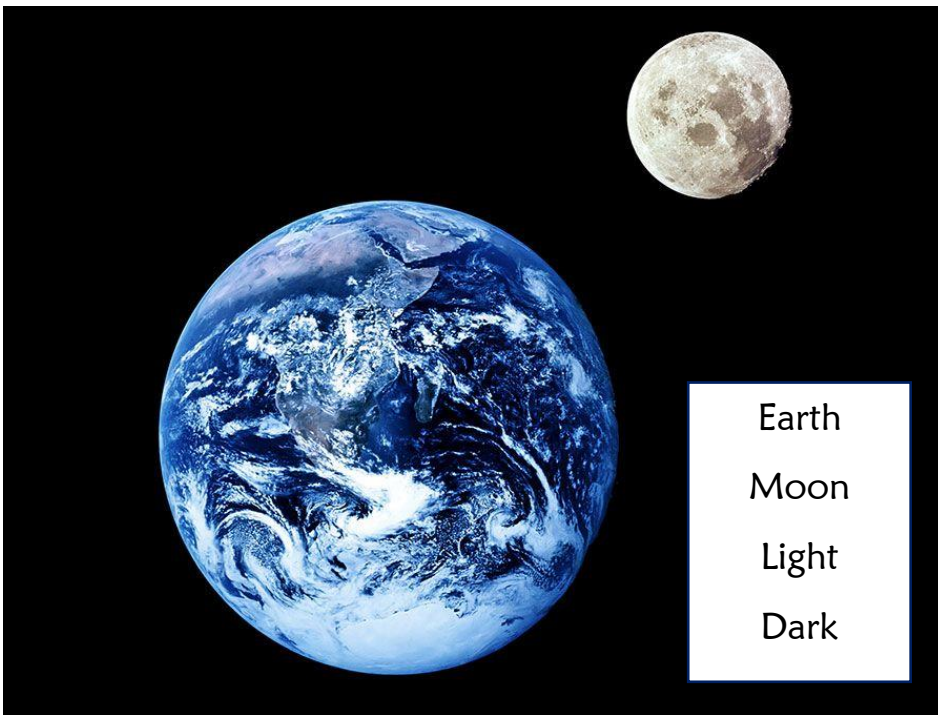

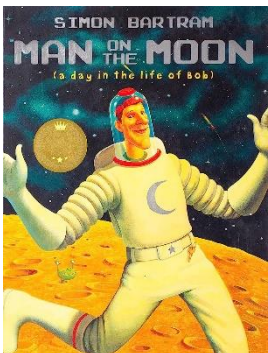

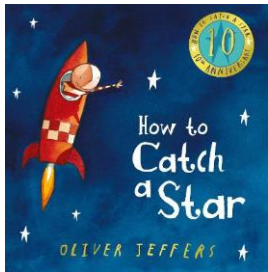

Perseverance

Golden Rules:

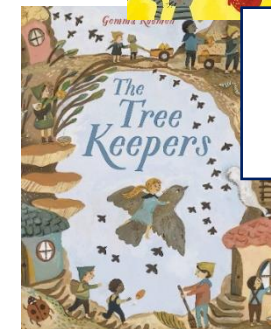

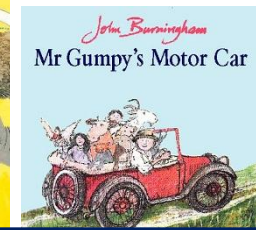

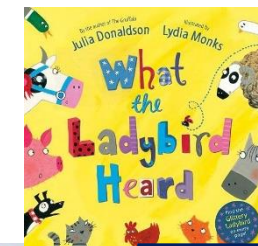

Do **be gentle**.

Do **be honest**.

Do **work hard**.

Earth
Moon
Light
Dark

We will use these texts to support our learning...
