

## Newsletter No. 30 2025-26 – Friday 12<sup>th</sup> June 2026

### Star of the Week

There was no 'Star of the Week' assembly today, as we had the Wonder Dome in the hall.

We had a very excited Mr. Cooper at the start of this week, as he received an email about this year's football league results. As you know, Mr. Cooper has been training the school squad and the team have been playing matches against other schools in their league throughout the year.

We were thrilled to find out that Myland won their league! Very well done to all of the squad for their commitment and hard work and for being unbeaten! We are waiting for their medals to arrive so that we can put their photograph on the newsletter for everyone to see.

Very well done to Freddie C, Benedict, Austin, Jason, Elliot, Jack S, Oliver K, Andre, Jacob, Oliver M and Isaac. Huge thanks to Mr. Cooper for all his hard work and to all of the parents and carers for their help and support throughout the year.

### Science Week

We have had a very busy week this week learning about all things science related. The school has been buzzing with excitement and the children have thoroughly enjoyed all of the practical sessions across the week. I particularly enjoyed seeing Oak Class make 'oobleck' using cornflour and water and finding out its properties. (Ask your children who, I'm sure, will be happy to recreate it for you!) We have had lots of visitors across the week working with the children and today, we finished Science Week with a Wonder Dome in the Hall, where Years 5 and 6 and Key Stage 1 went on a journey through space. We definitely have some budding scientists across the school!

Please also avoid parking in or across residents' drives, particularly in Raven Way, as this causes problems for our neighbours who need access to their properties at all times. Thank you for your co-operation.
