Parent Teacher Consultations

The staff and I are looking forward to welcoming parents and carers to Parent Teacher Consultations next week. For families new to our school, we ask that parents come to the table outside the Hall when you arrive, so that we can check you off on our list. You are then welcome to go to your child's classroom to look at their work and your child's classteacher will come and collect you when it is time for your appointment. Please remember that we ask that you do not bring your child along, as we do not have provision for them to be supervised whilst you are speaking to staff – thank you.

On a separate note, it was lovely to see so many parents/carers of Year 5/6 pupils join us this morning for our first 'Shared Learning' session of this academic year. The focus for the session was Maths – specifically multiplication. As always, thank you to the children, who were excellent 'teachers' and thanks also to the Year 5/6 team for their hard work in organising the session.
