

# MYLAND PRIMARY SCHOOL

## Our School Anthem

Written by children and teachers of the school - 2015

I grow and learn everyday  
My star will shine,  
Not fade away,  
Not fade away,  
Oh...

At Myland School we can work as a team,  
We can fulfil our dreams,  
We are Myland School!  
Working as one we will go oh so far,  
We can reach for the stars.  
We are Myland School!

If times are hard,  
I have friends to help me,  
I came as one,  
But I'll leave in a team.  
We'll do our best,  
We work as one, we work as one.  
Oh...

At Myland School we can work as a team,  
We can fulfil our dreams,  
We are Myland School!  
Working as one we will go oh so far,  
We can reach for the stars.  
We are Myland School!

We are strong and we will do our best,  
Ready for life and all the rest.  
Myland, Myland.  
We are strong and we will do our best,  
With gold emblazoned on our chests.  
Myland, Myland.  
Oh...

At Myland School we can work as a team,  
We can fulfil our dreams,  
We are Myland School!  
Working as one we will go oh so far,  
We can reach for the stars.  
We are Myland School!

We are strong and we will do our best,  
Ready for life and all the rest.  
Myland, Myland.  
We are strong and we will do our best,  
With gold emblazoned on our chests.  
Myland, Myland.
